Sir:

Entry of the following amendments is requested prior to examination.

AMENDMENT

Please amend the above-identified application as follows:

In the Specification:

Please replace the paragraph on page 41, lines 12-22 with the following:

Another access service option is Fully Redundant Single Tenant Access Service as illustrated in Fig. 30, including redundant demarcation devices 200, 220 and redundant switches 201, 221 with redundant drops 204, 222, 223, 224 for each demarcation device-access switch pair. Fully Redundant Single Tenant Access Service protects against the same failures that Redundant Switch Single Tenant Access Service does and in addition protects
